From the North

Leave the M3 at junction 7 and follow the signs to Basingstoke. At the traffic lights take the left hand slip road and turn left onto the A30. Follow this road for about 2 miles passing the Sun pub and the Wheatsheaf pub. Go past the right hand turning for the A303 and after a further half mile the road will turn to a dual carriageway. Just after this point you will find the entrance to WEST FARM on the far right; go over the median and into the entrance. Follow the lane into an open field and continue until you reach a large farmhouse on the right. Just past this there is a farmyard on the right; SSDC is at the far end of this yard
